Over the past four years Mike has been involved with the ministry of Open Air Campaigners. In November of 2016, Mike and Christine travelled to Philadelphia for orientation and became part of the ministry staff of OAC in Michigan full time. Although this is a large and exciting change in our lives, a lot will remain the same. We have no plans to relocate, and Christine's focus will remain on homeschooling Katie, Emily, Abbie, and Megan. For Mike, college ministry will continue to be the emphasis during the school year, especially when the weather is conducive to outdoor activities in the spring and fall.

Outside of the busy times on campus, Mike will be looking for other ministry opportunities. Two have already opened up, ministering to two

very different populations. Beginning in May he will be involved with a Sunday service at Green Acres Assisted Living in Mt. Pleasant once a month. In June, the entire family will assist their friends Frankie and Camille

Rodriquez of Living Stones Church in Rosenberg, Texas, with a Kid's Camp as part of Friends of North Rosenberg's Mission Week.

Open Air Campaigners is an evangelistic ministry of preaching the Gospel to lost people and mobilizing the body of Christ, primarily through effective open-air outreach. Our mission is to take the Gospel of Christ out from the church and into the public arena. Our evangelists proclaim Christ on busy sidewalks, in marketplaces, in parks, on college campuses, and in neighborhoods. We also provide training and service opportunities in evangelistic ministry for individuals, churches, and organizations. You can learn more about this ministry at www.oacusa.org or in future editions of this newsletter.

Pray

- Please pray for us as we continue to adjust to full-time ministry.
- Katie is learning to drive.

"Continue steadfastly in prayer, being watchful in it with thanksgiving. At the same time, pray also for us, that God may open to us a door for the word, to declare the mystery of Christ...that I may make it clear, which is how I ought to speak." (Colossians 4:2-4, ESV)

Campus Ministry

Mike and Christine both became Christians as college students, and Mike has been involved in ministry at Central Michigan University since 1998. Now that he is on staff with Open Air Campaigners, his ministry is expanding at CMU and on other campuses. The schedule for the spring semester included being at Western Michigan University on Tuesdays, Michigan State on Wednesdays, and CMU on Mondays, Thursdays, Fridays, and Saturdays, as well as occasional visits to other campuses. College ministry is a strategic way to reach the world. In just the last two weeks of the semester, Mike had the opportunity to talk to students from many countries, including Iran, Nigeria, Oman, Indonesia, China, Saudi Arabia, Pakistan, and India.

Pursuit Boston Trip

Mike and Katie travelled to Massachusetts in July 2016 with Pursuit, the youth ministry at Central Michigan Christian Church. The team worked with Eric Briscoe from the Boston branch of OAC to put on a 5-day kids' club in New Bedford and do open air ministry in downtown Boston. In the pictures below, Katie is presenting the message and helping one of the kids with a worksheet. In the other picture, Mike is using a numbers game to draw a crowd before Eric preaches.
